What is LACNIP'S Mission?

Lima-Allen County Neighborhoods in Partnership (LACNIP) advocates for the improvement of safety and quality of community life through neighborhood partnerships and personal responsibility.

What does LACNIP do?

LACNIP, established in 1993, sponsors many worthwhile community projects that are carried out by its partnership members. (See list on back panel)

LACNIP's volunteers come from neighborhood associations, businesses and the community. LACNIP projects are funded through the generous support of the City of Lima, partnerships with local businesses, and proceeds from the sale of Beanie-themed merchandise.

Why should businesses join LACNIP?

1. Greater public recognition of your corporate image
2. Corporate recognition in the media and at sponsored events
3. Protection of your business investment through community improvement
4. Neighborhood support for business initiatives
5. Employee involvement in community and neighborhood projects
