

SUBDIVISION APPROVAL

(Title 2, Chapters 1220 and 1222)

– This page

under construction –

Meanwhile, here is what a prospective developer needs --

Requirements:

- Overall Development Plan (8 copies)
- Construction Drawings (4 copies)
- Final Plat (4 copies)

Fee:

- \$250.00

Timeframe of Approval:

- Depends on timeliness of submissions
- We require that complete plans/drawings be submitted at least 3 weeks before scheduled City Planning Commission meeting
- If plans have been prepared to the satisfaction of the City Engineer:
 - Overall Development Plan = 3 weeks
 - Construction Drawings = 3 weeks
 - Final Plat = 3 weeks

The developer should arrange for pre-application meeting w/ Planning Division, Utilities Dept., and City Engineer (and County Sanitary Engineer, if necessary).

Call the Planning Division of the Community Development Department for more information (419-221-5146).
