Recommendations / Suggestions from the Committee

Priority #1: Educate the public and law enforcement of issues.

- Paul Nardini will be researching collaborative and add on programs already in existence in our school systems to partner with, i.e. Dare Program partnering with other enrichment programs about community involvement. *Pending*

Priority #2: Educate the public as to the court systems.

- Tony Geiger will strive to research the possibility of another city meeting in order to meet, greet and discuss with legal teams with appropriate topics / ideas with an emphasis on education. This would be similar to other town meetings. *Pending*

Priority #3: Community participation.

- Dr. Snyder will be meeting with Superior Federal Credit Union’s President to determine if we can partner with them and organize a Superior Financial Education Day hosted by the Ohio State University of Lima where 400 – 450 students could attend. Dr. Snyder will determine if there is an appropriate speaker to address this group. Last year’s key note speaker was Matt Huffman, Ohio House of Representatives, District 4. It was suggested that Tony Geiger could be the moderator.
