Public Safety 360° Initiative

Monday, April 17th, 2023, is the kick-off meeting for the Public Safety 360° Initiative. This new initiative brings together mayors, police chiefs, and national experts to focus on public safety strategies.

Public Safety 360° is being led by Cleveland Mayor Justin Bibb, Beavercreek Mayor Bob Stone, and Lima Mayor Sharetta Smith through the Ohio Mayor's Alliance, a bipartisan coalition of mayors in Ohio's 30 largest cities.

"Lima's Better Together Plan includes a key focus on safe and livable neighborhoods. To deliver on this promise, it's critical that we build alliances with other cities and communities across the state and nation. These coalitions provide opportunities to hear what other leaders are doing, along with the innovative programs being developed to solve the tough issues we face today," states Lima's Mayor Sharetta Smith.

Public Safety 360° Initiative will include a series of workshops to explore strategies to combat violence, reduce gun crimes, and improve the safety and quality-of-life for residents in communities across Ohio.
