Alley Maintenance Program

On April 25th, the City of Lima Street Department kicked off its yearly alley maintenance program. It will take a couple of months for our crews to grade, stone, and patch all of the City maintained alleys as needed. There are a number of alleys in the City that are private property, vacated, or a private drive, and these are not maintained by the City. Please keep in mind putting too much stone in the alleys can cause drainage issues. This maintenance program is for unpaved alleys only. If you have a paved alley that needs patched, please call our Street Department at 419-221-5165.
